

New in 2025: recycling outreach & education mini grants

Proposals will be accepted in two categories until all funds are disbursed. Grant requests can be for any amount, however those between \$500 and \$2,500 are standard. Preference will be given to rural communities however larger communities with limited recycling will also qualify.

Eligibility: nonprofits or tribal entities (checks will not be written to an individual, government or for-profit); online or in person courses allowed

Verification terms: due within 30 days of event or course completion

1. Receipts or proof of fund use
2. Examples of recognition for ALPAR contribution (online or print)
3. Proof of outcome (ie photos of event, pounds of recycling collected, certificate of attendance)
